## JUDGMENT Entered: November 26, 2012

Defendant-petitioners seek leave to appeal the certification of a class in this ERISA action. Having carefully reviewed the district court's rulings, the parties' papers, and relevant portions of the record, we conclude interlocutory review is not in order. See Waste Mgmt. Holdings, Inc. v. Mowbray, 208 F.3d 288, 293-94 (1st Cir. 2000) (setting out factors to be considered when deciding whether to allow review pursuant to Rule 23(f)). Accordingly, the petition is denied.

By the Court:

/s/ Margaret Carter, Clerk.
